PROFILE STATEMENT

Dynamic and purposeful front-end engineer with cloud experience. Proficient in web development technologies. Familiar with cloud platforms such as AWS and Azure with a core understanding of IaaS. Excited to learn and grow in the field of UI/UX and cloud computing.

EXPERIENCE

FRONT-END DEVELOPER PROGRAM
SheCodes | Online | September 2022 - April 2023
- Designed and developed responsive websites using HTML, CSS, JavaScript, and React.
- Utilized Bootstrap and jQuery libraries to enhance user experience and improve website functionality.
- Tested websites and performed user experience testing and troubleshooting prior to live deployment.
- Implemented UI/UX designs to create user-friendly interfaces.

MANAGEMENT CONSULTANT
Contract | Seattle, WA | September 2020 - September 2022
- Worked with six clients in managing their businesses and internal controls to ensure compliance with DSHS and other regulatory environments.
- Evaluated property investment entry strategies with operating costs, revenue, and income streams.
- Recommended business expansion opportunities and oversaw the purchase of four property investments on behalf of my clients.
- Developed strategic plans and fiscally responsible budgets that supported business strategy and P&L objectives.

FINANCIAL AID SPECIALIST
Bryn Mawr College | Bryn Mawr, PA | January 2017 - May 2020
- Reviewed for accuracy of tax information and financial documents with accurate completion of an average of 80 documents per day.
- Used PowerFAIDS-College Board to track applications and reconcile financial documents for students.
- Provided customer-centric technical and functional support to students and families regarding the FAFSA, College Board, and financial aid.
- Advised students on federal and institutional loans' borrowing rates, eligibility, and compliance.
